Dear Season Court Captains,

It's that time of year again. Days are getting shorter. School and other Fall activities will begin in a few weeks, along with our indoor season which begins on September 15, 2011. This will be a special season for us since we disappeared for a while, but thanks to our loyal members and our professional staff, this should be about as normal an opening as it has been for the past 25 years with one exception: you will be returning to one of the finest indoor tennis facilities in New England. We think you and your group will be quite surprised and impressed by the changes that have been made, from the lighting, the clubhouse, the locker rooms and finally to the courts.

Please email us your Season Court Roster by Friday, August 26 to seasoncourt@tcttennis.com so we may bill your court appropriately.

The Season Court rates are on the back of this letter along with the holiday breaks.

If you have any questions, please call [203-268-3030](tel:203-268-3030) or send us an email to seasoncourt@tcttennis.com.

We look forward to seeing you in September!

Ed, John, and Janet Pagano
