Dear Junior Clinic Participants,

Our first full Winter season was a success and we are looking forward to the Fall 2012. We are making a few changes to the session dates to accommodate the high school tennis calendar. Our high school programs (TT1, TT1.5, and Varsity Stars) will now be **27 weeks**. The Fall/Winter session for all other junior programs (TT2, TT2.5, Rising Stars, Juniors Clinics, Pee Wees) will be **20 weeks**. Please review your child's placement schedule. If there are any questions concerning placement level or a request to participate on a different day/time, please contact juniors@tcttennis.com.

All returning/current players are given first priority to register to ensure their spot in our program. **The deadline for these players to submit a required deposit is JULY 20th.** After this deadline, registration will be open to the public at which time we will go into our extensive waiting lists. **Deposits are non-returnable after August 15, 2012.**

Below you will find our rates for junior clinics for the upcoming Fall/Winter 2012-2013 sessions.
