BEGINNER & INTERMEDIATE

The QuickStart Tennis format is about fitting tennis to kids based on age and physical size. By modifying the court dimensions, equipment (racquets and balls), net height and scoring system coupled with a play component, kids will develop better technical and tactical skills.

Our Junior QuickStart Program for beginner and intermediate players will involve training in all aspects of the game including stroke technique, footwork, strategy, consistency, and match play. Every child will receive a customized curriculum to enhance their development.
