Dear Junior Clinic Participants,

We are looking forward to a new season at TCT in our brand new state of the art tennis facility. We are delighted to report that all of our teaching staff will be returning to TCT this fall. Our pros teaching Junior clinics include: **Brian Barker, Matt Daly, Zeljko Knezevic, Aaron Kusza, Isidro Martinez, Beth Norton, John Pagano, and Ben Zuckerberg.** One of the major hallmarks of our program from the Pee Wee's up to Tournament Training is that no player is subject to a static clinic or level to his/her training. If at any time the current clinic no longer maintains the challenge and balance necessary for a player to improve (winning half the time and losing half the time is one example) then changes will be made. TCT is always looking out for what's best for our players!

Please review your child's attached placement schedule. If there are any questions concerning placement level or a request to participate on a different day/time, please contact us at Juniors@tcttennis.com.

All returning/current players have a first priority to register to ensure their spot in our program. **The deadline for these players to submit the required deposit is JULY 3rd. Deposits are non-refundable after August 15, 2011.** After this deadline, registration will be open to the public at which time we will go into our extensive waiting lists.

Below you will find our rates for junior clinics for the upcoming 2011-2012 sessions.

The start date for the 1st session of clinics will be **September 8, 2011 and run through January 15, 2012 for a total of 17 weeks.** There will be no clinics 11/24, 11/25 & 12/24- 1/1
